

GUIDELINES FOR POSTER PRESENTERS

1. For poster presentation, presenters are required to prepare their posters in: Size: maximum of 85 cm (Height) x 55 cm (Width) and Orientation: Vertical (Portrait).
2. Presenters are required to bring their printed posters with them.
3. Make the display as self-explanatory as possible. All of the materials should be of sufficient size so they can be easily read at a reasonable distance of 1 to 1.5 meters by the readers (Minimum font size: 24 - 28, Font type: Calibri/Times New Roman)
4. The poster may include tables, graphs, photographs or illustrations..
5. Gentle reminders to presenters:
 - Identify by title, institution, author name, and Email address
 - Place the information sequentially beginning with the brief introduction, methods used, key results, brief discussion, conclusion and references. Include useful figures, tables, schemes, equations and pictures.
 - Text should be kept to a minimum
 - Use contrast colours.
